Memorandum.

Showing the necessity for feeding informants for 210 days in the Shikarpur and Kumbi Dacoity Cases of 1900-1901.

The two informants were Korachers who were taken away from the gang that was arrested and who while living under Police protection gave out the details of several dacoities committed by their gang. The details of these dacoities were heard by the Superintendent of Police at the Jagg Falls in November last when he was there in connection with the Viceroys visit to that place. Learning that in the interest of the boys against whom the Korachers were said to have conspired in retaliation for their having divulged the secrets of the gang and given clues for the Police to work upon, the boys had to be kept from harm and that their being so kept by the Police at Government cost was necessary for the arrest of a large number of the accused in the British Territory and recovery

recovery of property, the Superintendent sanctioned expenditure required for the purpose. Eleven accused were arrested and property recovered with their help. The cases ended in conviction in the Session held in June last, each of the Eleven accused being sentenced to 7 years rigorous imprisonment.

As the boys had to be kept by the Police for the detection of the cases, expenditure for their food from the 8th November 1900 to 6th June 1901, when the case was closed before the Court of Session, became necessary.

JUDICIAL

PROCEEDINGS

Dated 16th July 1900

No. $\frac{653-54}{J. 67}$

Defining the powers of the Inspector General of Police in regard to expenditure under the heads "Secret Service" and "Rewards for Good Service."

Proceedings of the Government of Mysore, Judicial, dated 16th July 1900.

READ—

Letter No. 2587—127, dated the 8th January 1900, from the Inspector General of Police in Mysore, requesting that the Comptroller may be authorized to admit the expenditure of Rs. 104-12-0 sanctioned by him for "Secret Service" in the French Rocks sub-division.

2. Letter No. 6452—2253, dated the 19th June 1900, from the Comptroller to the Government of Mysore; reporting upon the case brought to notice by the Inspector General of Police, and suggesting that the Inspector General of Police may be authorized to sanction Rs. 50 under the head "Secret Service" in each case within the budget provision as in the case of "Rewards for good service."

3. Government Proceedings No. 5039-48—Cir. 105, dated the 11th August 1890, defining the powers of the Inspector General of Police in regard to expenditure under the head "Secret Service" and "Good Services."

No. 653-54—J. 67, DATED BANGALORE, 16TH JULY 1900.

ORDER THEREON—The Order of 11th August 1890 differentiates between rewards for "Secret Service" and rewards for "Good Service." It was naturally the intention of Government that the Head of the Police Department should have freer hand in respect of the former than in that of the latter. The Inspector General was accordingly authorized to sanction expenditure up to Rs. 100 under "Secret Service" while he was asked to submit to Government for special sanction every recommendation for the grant of a reward for good service irrespective of the amount involved. He felt the inconvenience of this Order as regards rewards for "Good Service" and accordingly made a representation to Government, who in Proceedings No. 15858-8½—J. F. 371-92, dated 19th March 1894 authorized him to pay, without their previous sanction, rewards of this description to the extent of Rs. 50 in each case within the limit of the budget grant. Previously to that Order, he had in the one case power to grant a reward up to Rs. 100 while in the other he had none at all. The latter disability was removed and power was given to him to the extent of Rs. 50. The Order of 11th August 1890 does not use the words "in each case" as the Order of 19th March 1894 does. But it was certainly not intended that the Inspector General should not have larger powers much less that he should have smaller powers in the matter of rewards for "Secret Service" than in that of rewards for "Good Service." Government agree with the opinion of the Inspector General that he is entitled to sanction rewards in each case under the former head to the extent of Rs. 100 subject of course to the condition that the total budget allotment is not exceeded without previous sanction. To remove all doubt and ambiguity on the point, they are now pleased to lay down that the Inspector General's powers are limited to Rs. 100 in each case of reward for "Secret Service" and to Rs. 50 in each case of reward for "Good Service."

C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.
